OUR VALUES

- Satisfaction for clients/customers shall be SI's constant obsession.
- Excellent Service the first time, every single time.
- Create an environment friendly programs/projects/activities.
- Unity and Synergy between SI management, employees, vendors, and clients.
- Reliability is what makes SI customers loyal to us.
- Attention to details lets SI leave nothing to chance.
- Go for Professional approach to everything SI do and say.
- Employment growth and safe work place for everyone.

Where & How We're Different (OUR ADVOCACIES)!

We want our clients to be environment warriors. Securage takes the lead in pro-environment initiatives by planting trees for every 50 boxes of documents stored at the Records Management Center or 30 boxes of shredded papers produced when destroying highly confidential documents.

We support sports activities among the youth as well as the community. Securage supports Flame United Cherifer Football Club, a team that helps economically challenged kids finish their studies through football.

PROFESSIONAL & USER-FRIENDLY...

Mr. John Marbella, BDO Unibank : "This has with reference on the services rendered by Securage, Inc. to Banco De Oro Unibank, Inc. Reliability and consistency of service are amongst the criteria inherent from the said company.
